

**BLAST OFF**  
**on Saturday,**  
**October 5, 2024**  
**from 4-6 PM at**  
**Observatory Park**

*An OUT-OF-THIS-WORLD event!*

As the sun goes down on October 5, run, jog or walk as many course laps as you can in our two-hour race time frame. Each completed lap will equate to some amount of travel through our solar system – for example, one .85-mile lap takes you to Mercury, four laps and you've arrived on Mars, 10 laps gets you to Pluto, and so on. In this way, you will actually be racing yourself to see how far out of this world you can go! All who complete at least one lap will earn a Space Race medal, and you will receive a ribbon when you "land" (finish) recognizing how far you went and which planet you reached. Awards will go to the top three male and female finishers. Get ready for a race like no other...

GEAUGA PARK DISTRICT

**Race Start: 4 PM**

Awards for 1st, 2nd & 3rd place overall (male and female)

**About the Course**

Course is a .85-mile flat aggregate surface loop encompassing the Planetary Trail (map at [bit.ly/gpdspacerace2024-map](http://bit.ly/gpdspacerace2024-map)). Chip timing for 2 hours by GCXC.

**No Dogs, Please**
